**E-COURSE 5G Survival**

**The Secrets of Amélia.**

Awaken the Divine  
within you

**E-COURSE 5G Survival**

**The Secrets of Amélia.**

**What are these five words *'Awaken the Divine in You!'* doing here in this *'5G Survival Training'* ?**

Yes, as I already told you : our different Bodies are ultimately the Vehicles of our Consciousness which is an Eternal Spark originating from...

**... *'The Great and Unique Eternal Source'*.**

**E-COURSE 5G Survival**

**The Secrets of Amélia.**

The more our Link to the Great Source will be Strong, Stable, Constant, Confident, Luminous and Vibrating with the Energy of Life and Joy, the more all our Bodies will be impregnated with a High Vibrational Magnetic Field.

**Our Physical Body will therefore be continuously Nourished by this Divine Manna.**

It will then Radiate this Light through a Skin which will have absorbed, even in the smallest parts of these Molecules, a High Quantity of Chi, Ki, Prana or Life-Elixir.

This Life-Elixir is the much sought-after Grail...This is what gives us our Personal Alliance and is the foundation of Sacred Science.

**E-COURSE 5G Survival**

**The Secrets of Amélia.**

As I promised to send you the 5G Survival Miracle Key that I discovered, I can now confirm to you that *'Without this Personal Alliance'*, I would never have experienced all those Miracles and I would never have thought that it would be possible to Win from those waves !

Yep, my familyname isn't *'Thomas'* for nothing hahhaaa !

So *'Everything'* I wrote and said to you about 5G Survival is based on the Alliance.

## How to Build a Great Alliance ?

This can be achieved through daily work which results in the study of Universal Laws and the Effort to acquire Good Qualities...

For this it is necessary to see Clear within Oneself. That's just the goal of Meditation, Concentration and Communication or what we call Prayer.

Without falling into religious theories, it is good to look at the Reality of things in complete autonomy, keeping in mind the Unity of everything.

**E-COURSE 5G Survival**

**The Secrets of Amélia.**

Step 1 :

Let's start with Meditation

**E-COURSE 5G Survival**

**The Secrets of Amélia.**

In recent years, numerous studies carried out by neurologists have proven that in addition to helping us to relax, meditation allows us to literally change the morphology of our brain and by extension, to have a real impact on illnesses and symptoms like electro-sensitivity !

### **Meditation, what exactly is it?**

**E-COURSE 5G Survival**

**The Secrets of Amélia.**

Meditation consists of completely emptying oneself and concentrating on what is happening inside our body (breathing, vital functions, etc.).

It helps us to ignore stress, to drive emotions, ideas, worries out of our minds and to focus on the Interior. Shoulders relaxed, jaws relaxed, eyes closed, you calmly follow the flow of air which comes and goes through your nostrils and fills your lungs. Your ribcage is becoming more comfortable. A smile emerges. That's it !

**You bathe in the Meditative State which brings Serenity and Health.**

**E-COURSE 5G Survival**

**The Secrets of Amélia.**

Obviously, we constantly have thoughts and concerns in our heads and it is therefore not always easy to let them go, but Meditation can be compared to a kind of brain gymnastics.

**As with the muscles of our body, it is only through Regular Practice that we can achieve a state of Relaxation, Serenity and Total Relaxation.**

**The Secrets of Amélia.**

## **Meditation and its Benefits :**

People who have integrated Meditation into their daily life quickly notice an overall improvement in their mood, as well as a reduction in stress. They say they feel more Serene and at Peace with themselves and others... But there is much more !

Current research by neurologists and other specialists has demonstrated several very valuable aspects that arise from Meditation.

For example :

**The Secrets of Amélia.**

- Better control of blood pressure.
- Improved concentration and attention.
- A reduction in symptoms of gastrointestinal diseases.
- Improved heart function.
- An improvement in the symptoms of certain skin diseases (psoriasis, eczema).
- An effective way to relieve pain.
- A strengthening of the immune system.
- Better oxygenation of the brain.
- A slowdown in aging.
- And I add : **'5G Survival'** !

**In conclusion : the Power of the Mind over the Body is Impressive and therefore...**

**...Yes to Meditation !**

**The Secrets of Amélia.**

Step 2 :

Let us now continue with Concentration,  
Communication, Prayer

**E-COURSE 5G Survival**

**The Secrets of Amélia.**

Concentration, Communication, Prayer is the Most Powerful and Direct way to achieve Inner Clarity because the words create Immediate Contact with the **'Divine Energy'** they contain.

This Energy penetrates into Man through Word and Thought and makes him aware of the Divine Royalty in all the Universes.

**E-COURSE 5G Survival**

**The Secrets of Amélia.**

Concentration, Communication, Prayer is therefore : the Unification of the Human Being with its Source through the Word.

Thus he Rediscovered and Strengthens his Alliance with his Origins : his Heavenly Father and his Divine Mother.

The cancellation of the ego thanks to the Word allows us to reveal in ourselves our Sublime and Divine side, the Good which until now was plunged into darkness. Through constant and sustained effort, the Human Being will be able to achieve a Purification so Intense that it will allow him to contemplate the Light reserved for the Tsadikims, the '*Great Sages*'...

**The Secrets of Amélia.**

**And it's clear that this Clarity and Luminosity will be revealed on your face !**

The Higher the Frequency of Light that we allow to penetrate through all our Bodies, up to our Physical Body, the more our Cells will receive this Cascade of Purifying Energy, the more they will Enjoy, the more they will Revitalize and Strengthen.

**E-COURSE 5G Survival**

**The Secrets of Amélia.**

In fact it's simple to understand. Let's compare Man to a battery. We see that the battery needs to be recharged to ensure its proper functioning. It is the same thing a Human Being.

Every day he's hungry and his Physical Body needs to eat. So every day these Etheric Bodies also need their Specific Food...

**This Word which is the basis of our Alliance is the Divine Nectar for all our Bodies !**

**E-COURSE 5G Survival**

**The Secrets of Amélia.**

Here is a Concentration, Communication, and Prayer towards the One Consciousness of All That Is :

It is spoken out loud with Respect towards the Source together with a feeling of Autonomy. Autonomy means the Power to see the Unity of All Things in Complete Equality. It's a Perfect Blend of the Absolute and the World of Duality :

Our Father, Pure Consciousness, our Creator,  
Our Mother, Pure Love, our Creator,  
Who are within the whole Creation,  
Who are in the Hearts of all the Creatures,  
Who are the Divine Marriage, the Perfect Union, the Example for us All. 😊

**The Secrets of Amélia.**

Hallowed be Your Names,  
Let your Kingdoms come,  
May Your Will be done on Earth as in  
Heaven,  
Give us today our Food for this day,  
Forgive us our trespasses, as we also forgive  
those who trespass against us,  
And lead us not into temptation, but deliver us  
from evil,  
For to You belongs the Kingdom, the Power  
and the Glory for ever and ever,  
Amen.

**May Peace, Harmony, Love, Justice, Light,  
Purity, Health, Abundance, Truth, Wisdom  
and Joy be with Everyone ! Amen !**

**The Secrets of Amélia.**

### **It's good to add the Words :**

I am ready to see things differently.

I like to improve myself.

I want to Change my Perception.

Help Me to See Things Differently.

Thank you for Helping me to become Inspiring,  
Happy, Joyful, Bright and Loving !

### **It's good to end with Silence :**

Silence has Great Healing Effects. It was used  
by Buddha to achieve Enlightenment. It helps to  
deepen the relationship with the Divine.

**E-COURSE 5G Survival**

**The Secrets of Amélia.**

In the chaos and demands of modern society, the *'Healing Power of Silence'* is more urgent than ever.
